Relocating to Israel early October 2026 · Netanya and surrounding area

647-882-4082 · ron.m.wolf@gmail.com · linkedin.com/in/norflow

Residential construction and operations professional with experience across high-rise development, project coordination, interior finishing, occupancy, deficiencies, and property support. Open to full-time, contract, or project-based work.

SELECTED WORK

Founder & President | Igzi Foodservice, Toronto | 2015–2025

- Started the company, ran it for ten years, and sold it.
- Pricing, inventory, North American and Asian suppliers, with customers in the Greater Toronto Area.
- Owned strategy, operations, customer accounts, and P&L.

Interior Project Manager | Edge on Triangle Park, West Queen West, Toronto | 2015

21 floors · 664 units

- Finishing through the building: suites and common areas.
- PDIs, repairs, then occupancy.

Project Manager | Epic on Triangle Park, West Queen West, Toronto | 2013–2015

21 floors · 476 units

- Project coordination across scheduling, trade contracts, city permits, demolition, excavation, tower construction, suites, exterior work, and landscaping.

Interior Project Manager | Fuzion, King West, Toronto | 2013

14 floors · 245 units

- Suite and common-area finishing, PDI preparation, and deficiency resolution for a mid-rise residential project.

Interior Project Manager | The Bridge, King West, Toronto | 2011–2012

22 floors · 531 units

- Finishing in common areas and suites. Units ready for PDI, deficiencies closed, ready for occupancy.

PDI Inspector · Board liaison | Westside Lofts, Queen West Village, Toronto | 2010

20 floors · 369 units

- Pre-delivery inspections and board liaison through occupancy.

Pre-Delivery Inspector | The Conservatory Group, Toronto / GTA | 2006

- Pre-delivery inspections for approximately 800 condominium units.
- Coordinated deficiency resolution with trades and customer care.

ALSO AVAILABLE FOR

- Construction and renovation coordination.
- Property support for owners abroad: maintenance, repairs, key holding, practical help.
- General maintenance and assistance in the Netanya area.
- Home inspections and relocation help for Olim (photo and video).

- Hands-on help for yishuvim and small communities, including selected work at reduced cost or as volunteer support.
